

The “Hidden Talents” Project
(Principal Investigator: Dr. Bruce Ellis)

Thank you for your interest in joining the Ellis Lab as a research assistant! This form is designed for us to learn a little more about you. Please email any questions you have and your completed application to Allison Gerrard at allison.gerrard@utah.edu.

NAME and EMAIL ADDRESS:

1. What year are you currently in and what is your major/minor area(s) of study?

2. When do you expect to graduate from The University of Utah?

3. Outside of your coursework, in what other activities are you currently involved (e.g., extracurricular activities, sports teams, employment positions)?

4. Are you interested in attending graduate school?

If yes, to what type of program do you plan on applying?

5. What is your expected availability for the current and/or upcoming semesters (i.e., what days/times would you be free to help us out)? Can you make a two-semester commitment?

Monday:

Tuesday:

Wednesday:

Thursday:

Friday:

6. Do you have any special experience and/or skills (e.g., experience maintaining databases/record keeping, experience working with teenagers or conducting interviews, ability to speak Spanish, etc.) that you feel you could contribute to this project?

7. Do you have a car or the ability to travel to data collection sites using mass transit (TRAX, city bus, etc.)?
