EDUCATION:

1996-99	Post-doctoral	<i>NIMH Developmental Psychopathology Training Program, Vanderbilt University</i> Program Directors: Drs. Kenneth A. Dodge & Judy Garber
1995	Ph.D.	<i>Psychology</i> University of Michigan, Ann Arbor, MI Dissertation co-chairs: Drs. David M. Buss & Neil M. Malamuth
1987	B.S.	<i>Social Science</i> California Polytechnic, San Luis Obispo, CA Senior thesis advisor: Dr. Patrick McKim

ACADEMIC EMPLOYMENT:

2016-present	<i>Professor of Psychology and Anthropology, University of Utah</i>
2016-2019	<i>Director, Robert Wood Johnson Foundation Research Network on Adaptations to Childhood Stress</i>
2008 - 2016	<i>Professor and John & Doris Norton Endowed Chair in Fathers, Parenting, and Families, Division of Family Studies and Human Development, Norton School of Family and Consumer Sciences, University of Arizona.</i>

- 2004-2008 *Associate Professor, Division of Family Studies and Human Development, Norton School of Family and Consumer Sciences, University of Arizona*
- 2002-2004 *Senior Lecturer, Department of Psychology, University of Canterbury, New Zealand*
- 1999-2001 *Lecturer, Department of Psychology, University of Canterbury, New Zealand*
- 1996-1999 *Research Associate, John F. Kennedy Center for Research on Human Development, Vanderbilt University*
- 1995-1996 *Visiting Assistant Professor, Department of Psychology, Central Michigan University*
- 1991-1995 *Graduate Student Teaching Assistant/Research Assistant, Department of Psychology, University of Michigan.*

OTHER ACADEMIC AND PROFESSIONAL APPOINTMENTS:

- 2017-2021 *External Advisory Board Member, Translational Center for Child Maltreatment Studies (NIH P50 Capstone Center for Multidisciplinary Research in Child Abuse and Neglect), Pennsylvania State University (PI: Jennie Noll).*
- 2015-2020 *External advisor (PI: Renee Veenstra). *Anti-bullying programs 2.0: Tailored interventions to minimize bullying.* Netherlands Organization for Scientific Research VICI grant. Sept.1, 2015—August 10, 2020. [This grant includes an RCT of 28 schools in the Netherlands to test the *Meaningful Roles* intervention (Ellis et al., 2016, *Journal of Research on Adolescence*)]*
- 2010-present *Scientific Advisory Board, Evolution Institute (<http://evolution-institute.org>), a think tank that helps formulate public policy from an evolutionary perspective.*
- 2013-2015 *Advisory Board Member, Psychosocial Aspects of Central Precocious Puberty, AbbVie.*
- 2011-2016 *Faculty Member, Center for Evolution and Cancer, University of California, San Francisco.*
- 2005-2016 *Faculty Member, Department of Psychology, University of Arizona.*

AWARDS/HONORS:

- 2019 *Distinguished Contributions to Interdisciplinary Understanding of Child Development Award*, Society for Research in Child Development (SRCD)
- 2018 Elected as *Fellow* of the Association for Psychological Science for “sustained outstanding contributions to the advancement of psychological science.”
- 2010 Recipient of the *2010 George A. Miller Award*, American Psychological Association, for an outstanding recent article in general psychology.¹
 Article: Ellis, B.J., Figueredo, A.J., Brumbach, B.H., & Schlomer, G.L. (2009). Fundamental dimensions of environmental risk: The impact of harsh versus unpredictable environments on the evolution and development of life history strategies. *Human Nature*, 20, 204-268.
- 2008 Inaugural *John and Doris Norton Endowed Chair in Fathers, Parenting, and Families*, Norton School of Family and Consumer Sciences, University of Arizona.
- 2005 Recipient of the *2005 George A. Miller Award*, American Psychological Association, for an outstanding recent article in general psychology.
 Article: Ellis, B.J. (2004). Timing of pubertal maturation in girls: An integrated life history approach. *Psychological Bulletin*, 130, 920-958.
- 2003 Awarded membership in the American Association for the Advancement of Science
- 2002 *University of Canterbury Teaching Award*. This award recognizes significant teaching-related achievements in both undergraduate and graduate programs.
- 1999 Recipient of the *1999 John F. Kennedy Center Young Scientist Award* for outstanding research achievement in developmental psychopathology. The John F. Kennedy Center at Vanderbilt University is a national center for research on education and human development.
- 1998 Recipient of the *Fourth Annual Aaron T. Beck Award* for best paper on evolutionary biology and psychopathology. Presented at the annual meeting of the Society for Across-Species Comparisons and Psychopathology, Davis, CA, July 8, 1998.
 Paper: "Psychosocial antecedents of pubertal maturation in girls: Parental psychopathology, stepfather presence, and family and marital stress."

¹ The *George A. Miller Award* recognizes an article published in the last 5 years that best integrates knowledge across diverse fields of psychological theory and research and achieves a "creative synthesis, the building of novel conceptual approaches, and a reach for new, integrated wholes."

- 1996-99 *NIMH Postdoctoral Fellowship in Developmental Psychopathology*, Vanderbilt University
- 1993-94 *Psychology Dissertation Fellowship*, University of Michigan.
- 1990-93 *Jacob K. Javits Fellowship*, United States Department of Education.
- 1990-93 *Regents' Fellowship*, University of Michigan.
- 1990 Winner for *Best Paper in the Young Investigator Competition* at the annual meeting of the Human Behavior and Evolution Society, UCLA, August 19-22, 1990.
Paper: "Sex differences in sexual fantasy: An evolutionary psychological approach."

RESEARCH GRANTS AND CONSULTING (2008-present)

- 2020- Co-Principal Investigator (PI: Willem Frankenhuis, Radboud University).
- 2021 *Stress-Adapted Skills*. Jacobs Foundation. University of Utah subcontract: \$20,100. Dates: Jan 1, 2020—Dec. 31, 2021.
- 2018- Co-Principal Investigator (PI: Willem Frankenhuis, Radboud University).
- 2023 *Hidden Talents in Youth*. James S. McDonnell Foundation. University of Utah subcontract: \$150,000. Dates: July 1, 2018—June 30, 2023.
- 2018- Principal Investigator. *Improving Educational Practice through Leveraging*
- 2019 *Stress-Adapted Skills*. Sorenson Legacy Foundation. Amount: \$30,000. Dates: March 1, 2018—Feb. 28, 2019.
- 2017- Principal Investigator (Co-PIs: Daniel Adkins, Dan Carlson, Elizabeth Conradt, 2019 Sheila Crowell, Lisa Diamond). *Recruitment of At-Risk Youth for a Series of Interdisciplinary Studies*. Consortium for Families & Health Research (C-FAHR) pilot grant, University of Utah. Amount: \$17,000. April 1, 2017—March 31, 2019
- 2016- Co-Investigator (PI: Norman Li). *A Life History Mismatch Perspective on Low*
- 2018 *Fertility in Modern Society*. Ministry of Education Academic Research Fund (MOE AcRF) Tier 1, Singapore. Amount: SG\$143,655.20 (~ US\$105,609). Dates: Oct 1, 2016—Sept. 20, 2018.
- 2016- Principal Investigator (Co-PI: Willem Frankenhuis). *Research Network on*
- 2019 *Adaptations to Childhood Stress: A Strength-Based Approach to Enhancing Productivity and Health in the Context of Adversity*. Robert Wood Johnson Foundation, 73657. Amount: \$278,508. Dates: July 15, 2016 – June 14, 2019.
- 2013- Principal Investigator (Co-PI: Sarah Hill). *Collaborative Research: Impact of Fathers*

- 2016 *on Risky Sexual Behavior and Decision-Making in Daughters*. National Science Foundation, BCS-1322553. Amount: \$450,000. Dates: Sept 15, 2013--Aug. 31, 2016.
- 2013- Principal investigator, *The Adaptive Calibration Model of Stress Responsivity*,
 2017 *Life History Strategy, and Health*. United States Department of Agriculture: Cooperative State Research, Education, and Extension Service, ARZT-1360900-H07-211. Amount: \$195,435. Dates: Oct. 1, 2013—Sept. 30, 2017.
- 2008- Director and Chair, *John and Doris Norton Endowment for Fathers, Parenting, and*
 2016 *Families: Research and Teaching Initiative*. Amount: \$1,500,000. Dates: July 1, 2008-June 30, 2016.
- 2015- Recipient of Netherlands Scientific Organization Visitor's Travel Grant, to support collaborative work at Utrecht University, Radboud University, and University of Groningen. Amount: € 5500.
- 2012- Principal Investigator. *Adaptive Patterns of Stress Responsivity*. TRacking Adolescents' Individual Lives Survey (TRAILS). Grant to support a visiting Postdoctoral Fellow (Esther Nederhof). Amount: \$7,000.
- 2009- Principal investigator, *Influence of Harsh-Coercive Paternal Behavior on*
 2013 *Behavioral Problems in Adolescence*. United States Department of Agriculture: Cooperative State Research, Education, and Extension Service, ARZT-136666-H-07-197, Amount: \$136,144. Dates: Oct. 1, 2009—Sept. 30, 2013.
- 2005- Principal investigator, *Influence of Father Absence on Pubertal Timing and Sexual*
 2009 *Development in Girls*. United States Department of Agriculture: Cooperative State Research, Education, and Extension Service, ARZT-136838-H-07-182. Amount: \$121,252. Dates: Oct. 1, 2005—Sept. 30, 2009.
- 2007- Co-Principal Investigator, *Collaborative Research: Early Childhood Stress,*
 2009 *Personality & Reproduction in a Matrifocal Community*, National Science Foundation, BCS-0650317 (P.I.: Robert J. Quinlan, Washington State University). University of Arizona subcontract: \$18,374. Dates: Oct 1., 2007—Sept. 30, 2009.
- 2006- Consultant, *Social Ordering and Mental/Physical Health in Children*, National
 2008 Institute of Mental Health, 5R01MH062320 (P.I.: W. Thomas Boyce, University of British Columbia).
- 2006- Consultant, *Bay Area Breast Cancer and the Environment Research Center*,
 2010 National Institute of Environmental Health Sciences, 1U01ES012801 (P.I.: Robert A. Hiatt, M.D., University of California, San Francisco).
- 2006- Consultant, *Pathways Home: Reducing Risk In The Child Welfare System* center
 2008 grant, National Institute on Drug Abuse, 5P20DA017592 (P.I.: John B. Reid, Ph.D., Oregon Social Learning Center).

PUBLICATIONS

*Current or recent graduate students/postdocs under the direction of Ellis. (*Note: Jackson and James are the same person*)

- +Ellis, B.J.** (Nov. 9, 2011). The evolutionary basis of risky adolescent behavior: Implications for science, policy, and practice. Invited colloquium, Prevention Research Center, Penn State University. [*Cancelled*]
- Ellis, B.J.** (Oct. 19, 2011). The stress response system as a mechanism of developmental calibration. Invited presentation, the Mind, Brain, and Body Research Collaborative, University of Arizona.
- +Ellis, B.J.** (August 4, 2011). Ecological contexts of parenting and early life history strategy: Distinguishing harshness and unpredictability. Invited George A. Miller Award Address. Presented at the annual meeting of the American Psychological Association, Washington, D.C.
- +Ellis, B.J.** (May 19, 2011). The evolutionary basis of risky adolescent behavior: Implications for science, policy, and practice. Invited plenary address, 5th Isik Savasir Clinical Psychology Conference, Turkish Psychological Association, Aydin, Turkey.
- +Ellis, B.J.** & Del Giudice, M. (May 12, 2011). The stress response system as a mechanism of developmental calibration. Invited plenary address, European Science Foundation Symposium on The Mismatch Hypothesis of Psychiatric Disease, Groningen, The Netherlands.
- +Ellis, B.J.** & Del Giudice, M. (May 11, 2011). The adaptive calibration model of stress responsivity. Invited plenary address, Symposium on Epigenetics and Behavior, School of Behavioral and Cognitive Neuroscience, University of Groningen, The Netherlands.
- Del Giudice, M., **Ellis, B.J.**, & Shirtcliff, E.A. (March 30, 2011). The stress response as a mechanism of adaptive calibration: Implications for developmental theory, empirical research, and intervention. Invited plenary address, Evolution and Child Development Preconference, Society for Research in Child Development, Montreal, Quebec.
- +Ellis, B.J.** (April 5, 2011). The evolutionary basis of risky adolescent behavior: Implications for science, policy, and practice. Invited colloquium, Institute for Child Development, University of Minnesota.
- +Ellis, B.J.** (March 31, 2011). Invited Program, symposium chair. Beyond mental health: An evolutionary analysis of adolescent development Under risky and supportive environmental conditions. Society for Research in Child Development, Montreal, Quebec.

- +Ellis, B.J.** (October 22, 2010). Ecological contexts of parenting and early life history strategy: Distinguishing harshness and unpredictability. Plenary address, Workshop on Social and Biological Determinants of Parenting, University of Toronto. Sponsored by the Society for Research on Child Development.
- +Ellis, B.J.** (May 13, 2010). Life history, resource allocation, and consumption. Invited plenary address, The Interdisciplinary Science of Consumption, First annual Michigan Meeting, University of Michigan, Ann Arbor, MI.
- +Ellis, B.J.** (March 12, 2010). Childhood experience, puberty, and adolescent behavior. Invited program "Views by Two" (with Donna Spruijt-Metz), Society for Research in Adolescence, Philadelphia, PA.
- +Ellis, B.J.** (Nov. 5, 2009). Thinking outside the box of mental health: An evolutionary perspective on parent-child relationships and adolescent development. Invited plenary address, Socio-Ecological Foundations of Intimacy pre-conference, International Association for Relationship Research, University of Kansas, Lawrence, KS.
- Ellis, B.J.** (Nov. 2, 2009). Adolescent Risk Behaviors: The Need for an Evolutionary Analysis. Opening presentation for Community Roundtable Discussion, co-hosted by the Evolution Institute and Frances McClelland Institute, University of Arizona, Tucson, AZ.
- Ellis, B.J.** (Oct. 31, 2009). Thinking outside the box of mental health: An evolutionary perspective on adolescent risk behavior. Invited Presentation, Evolution Institute workshop on Adolescent Risk Behavior, University of Arizona, Tucson, AZ.
- +Ellis, B.J.** (Sept. 10, 2009). Family environments, adrenarche, and pubertal timing. Invited Presentation, Lawson Wilkins Pediatric Endocrine Society (LWPES) / European Society for Paediatric Endocrinology (ESPE) 8th Joint Meeting, New York City, NY.
- Ellis, B.J.** (March 6, 2009). Fathers Really Matter: Early Experiences with Dad Changes Puberty and Sexual Behaviors in Daughters. Norton Endowed Chair Lecture in honor of the Dedication of Frances McClelland Institute, University of Arizona.
- +Ellis, B.J.** (Feb. 5, 2009). Effects of Fathers on Puberty and Sexual Behavior in Daughters: Establishing Causation. Invited plenary address, Evolutionary Psychology Preconference, Society for Personality and Social Psychology, Tampa Bay, FL.
- +Ellis, B.J.** (Feb 3, 2009). Biological Sensitivity to Context, Family Environments, and Pubertal Development. Invited Colloquium, Department of Human Development and Family Studies, Auburn University, Auburn, AL.
- +Ellis, B.J.** (November, 14, 2008). Children Vary in their Susceptibility to Rearing Experiences: Implications for Early Childhood Education. Invited Presentation, Evolution Institute workshop on Early Childhood Education, University of Miami, Coral Gables, FL.

- Ellis, B.J.** (February 19, 2008). Annual Report of Faculty Citations: Prospects and Pitfalls. Invited presentation to the Norton School of Family and Consumer Sciences, University of Arizona.
- +Ellis, B.J.** (November, 8, 2007). Stress, Family Composition and Pubertal Timing. Invited presentation, 4th annual conference of the Breast Cancer and the Environment Research Centers, Cincinnati, OH.
- +Ellis, B.J.** (September 27, 2007). Puberty: A biosocial nexus. Invited presentation to the Robert Wood Johnson Foundation Health & Society Scholars Program, University of California, Berkeley.
- Ellis, B.J.** (April 1, 2007). Invited Symposium Discussant: Biological and Genetic Influences on Pubertal Status and Timing (Chair: J.E. Mendle). Society for Research in Child Development, Boston, MA.
- +Ellis, B.J.** (November 13, 2006). Influence of family environments on development of the reproductive and stress response axes: Implications for children in the child welfare system. Invited presentation to the Oregon Social Learning Center, Eugene, OR.
- +Ellis, B.J.** (October 6, 2006). Timing of pubertal development in girls: An evolutionary-developmental framework. Invited colloquium, Evolutionary Studies Program, Binghamton University, Binghamton, NY.
- +Ellis, B.J.** (August 12, 2006). Timing of pubertal maturation in girls: An integrated life history approach. Invited *George A. Miller Award* address, American Psychological Association, New Orleans, LA.
- +Ellis, B.J.** (July 11, 2006). Psychosocial influences on pubertal timing in girls: Tests of an evolutionary-developmental model. Invited colloquium, Population Sciences Seminar Series, University of California San Francisco Comprehensive Cancer Center, Oakland, CA.
- Ellis, B.J.** (June 12, 2006). Assessment of adrenarche using salivary dheaa assays. Invited presentation to Salimetrics Inc., Department of Biobehavioral Health, Penn State University, State College, PA.
- +Ellis, B.J.** (April, 17, 2006). Quality of family environments and timing of pubertal development in girls: An evolutionary-developmental framework. Invited colloquium, Department of Anthropology, Emory University, Atlanta, GA.
- +Ellis, B.J.** (March 17, 2006). Biological sensitivity to context: An evolutionary-developmental theory of the origins and functions of stress reactivity. Invited colloquium, Department of Psychology, Florida Atlantic University, Boca Raton, FL.

SESSION ORGANIZER FOR INTERNATIONAL CONFERENCES

International Conference on Psychological Science, 2017, 2019
International Society for Developmental Psychobiology, 2012
National Council on Family Relations, 2012
Society for Research in Adolescence, 2012
Society for Research in Child Development, 1999, 2007, 2009, 2011, 2013, 2017
Society for Research in Child Development (special topics conference), 2018
Human Behavior and Evolution Society, 2002, 2006, 2017

PROFESSIONAL AFFILIATIONS:

Association for Psychological Science
Human Behavior and Evolution Society
Society for Research on Adolescence
Society for Research in Child Development

CURRENT RESEARCH INTERESTS:

Major interest areas

Adaptive individual differences
Stress-health relationships
Developmental psychobiology
Neurobiological susceptibility to environmental influence
Evolutionary psychology
Cognitive adaptations to stress

TEACHING

Current Teaching Interests:

Evolutionary-Developmental Psychology
Biosocial Development
Adolescent Health
Research Methods
Applied Statistical Analysis

Courses Taught:

Graduate courses

2017- present	PSY/FCS/ANTH/SOC 6465: Biosocial Mechanisms of Stress, Development and Health (Consortium for Families and Health Research, University of Utah).
2014- 2016	Stress, Development, and Health: A Biological Embedding Approach (Family Studies and Human Development, University of Arizona)
2005- 2012	Applied Statistical Analysis (Family Studies and Human Development, University of Arizona)

- 2008-
2015 Research Methods in Family Studies and Human Development
(Family Studies and Human Development, University of Arizona)
- 2007 Developmental Plasticity and Evolution
(Family Studies and Human Development, University of Arizona)
- 2005,
2006 Adolescent Health
(Family Studies and Human Development, University of Arizona)
- 2005,
2010 Biosocial Development
(Family Studies and Human Development, University of Arizona)
- 2003 Developmental Psychology
(Department of Psychology, University of Canterbury)
- 2001,
2002 Comparative and Evolutionary Psychology
(Department of Psychology, University of Canterbury)
- Undergraduate courses
- 2017-
present PSY/ANTH:3290 Biology of Stress and Development (Departments of
Psychology and Anthropology, University of Utah).
- 2012-
2016 Men, Fatherhood & Families: Biocultural Perspectives
(I co-developed and coordinated this General Education course at the
University of Arizona)
- 2007,
2008 Biosocial Development
(Family Studies and Human Development, University of Arizona)
- 2003 Research Methods
(Department of Psychology, University of Canterbury)
- 1999-
2003 Introduction to Psychology (Department of Psychology, University of
Canterbury), personality module
- 2000-
2003 Personality Psychology (Department of Psychology, University of
Canterbury)
- 1995,
1996 Introduction to Psychology (Department of Psychology, Central
Michigan University)
- 1995,
1996 Psychology of Women (Department of Psychology and Women's
Studies Program, Central Michigan University)
- 1995 Mass Media and Sexual Aggression (Department of Communication,
University of Michigan; co-taught with Prof. Neil Malamuth).

SERVICE

Committee memberships in international professional organizations:

2021— Member, *Interdisciplinary Committee*, Society for Research in Child
2025 Development.

University Service:

University of Utah

2024- Co-Chair, Developmental Psychology Area, Department of Psychology
present

2023 Co-Chair, Development Psychology search committee

2023- Faculty Advisory Council, Martha Bradley Evans Center for Teaching Excellence
present

2023- Undergraduate committee.
2024

2022 Review committee, The Frederick T. Rhodewalt Award

2022 Teaching Review of Lisa Diamond, for Tenured Faculty Review

2020 Reviewer for CSBS UROP applications.

2018- Member, *Research Advisory Committee*, College of Social and Behavioral
2021 Sciences

2016- Co-Director, *Developmental Adaptations, Stress, and Health* (DASH)
Present research collaborative, Consortium for Families and Health Research.

2016- Member, *Executive Committee*, Consortium for Families and Health
2022 Research

2018- Member, *Retention, Promotion, and Review (RPT) Policy Analysis*
2019 *Committee*, University of Utah.

2017- Member, *Personnel Committee*, Department of Psychology.
2019

2016- Member, *Executive Committee*, Department of Psychology
2017

University of Arizona

2016 Member, Faculty Review and Development Committee, Norton School
of Family and Consumer Sciences.

2013- Member, Search Committee for director of the Norton School of Family
2014 and Consumer Sciences.

- 2013-2016 Member, Graduate Studies Committee (SARF evaluations), Norton School of Family and Consumer Sciences.
- 2012-2015 Member, College of Agriculture and Life Sciences Faculty Council
- 2012-2016 Member, Graduate Admissions and Recruitment Committee, Norton School of Family and Consumer Sciences.
- 2012 Member, Informal Mentoring Committee for Andrea Romero, Norton School of Family and Consumer Sciences
- 2012-2016 Chair, Promotion/Tenure/Continuing Appointment Committee, Norton School of Family and Consumer Sciences.
- 2012-2015 Chair, College of Agriculture and Life Sciences Post Tenure Review Committee.
- 2011 Member, search committee for College of Agriculture and Life Sciences Associate Dean and Director of the Arizona Agricultural Experiment Station.
- 2010 Chair, review committee for Melissa Barnett Agricultural Experiment Station Research Project
- 2008-2016 Chair, interdisciplinary Fathers, Parenting, and Families Initiative, Frances McClelland Institute.
- 2005-2012 Chair, Human Subjects Protection Committee, Norton School of Family and Consumer Sciences
- 2008-2016 Member, Frances McClelland Institute Strategic Advisory Team, Norton School of Family and Consumer Sciences
- 2005-2007 Member, Graduate Studies Committee, Division of Family Studies and Human Development
- 2008-2011 Chair, Graduate Studies Committee, Division of Family Studies and Human Development
- 2008-2010 Member, Promotion & Tenure Committee, Norton School of Family and Consumer Sciences
- 2008-2009 Member, Search Committee for Assistant Professor in Early Childhood/Childhood Development, Norton School of Family and Consumer Sciences
- 2008 Chair, Ad Hoc Committee on Faculty Research Annual Citation Report, Norton School of Family and Consumer Sciences

- 2008 Member, Ad Hoc Programmatic Priorities Committee, Division of Family Studies and Human Development
- 2007-2009 Member, Curriculum Committee, College of Agriculture and Life Sciences
- 2004-2007 Chair, Website Development Committee, Division of Family Studies and Human Development
- 2004-2005 Co-organizer, Division of Family Studies and Human Development colloquium series
- 2004-2008 Member, Search Committee for John and Doris Norton Endowed Chair in Fathers, Parenting, and Families, Division of Family Studies and Human Development

University of Canterbury

- 2001-2004 Joint Academic Grievances Committee, Psychology Department representative
- 2001-2004 Health and Safety Officer, Department of Psychology
- 2000-2002 Member, Curriculum Committee, Department of Psychology
- 2000-2001 Member, Search Committee for Lectureship in Quantitative-Experimental Psychology, Department of Psychology
- 2000-2001 Member, Search Committee for Lectureship in Health Psychology, Department of Psychology

Editorial Work and External Reviews:

Editor of Special Issues

Lead editor (with Katie McLaughlin), special issue of *Development & Psychopathology* on "Dimensions of early experience and adaptive and maladaptive development." Publication date: May, 2022.

Lead editor (with Tom Boyce), special issue of *Development & Psychopathology* on "Differential susceptibility to environmental influence." Publication date: January, 2011.

Lead editor (with David Bjorklund), special issue of *Developmental Psychology* on "Beyond Mental Health: An Evolutionary Analysis of Development under Risky and Supportive Environmental Conditions." Publication date: May, 2012.

Reviewer for Academic Book Publishers

Guilford Publications, 2009
Blackwell Publishers, 2006, 2005
Cambridge University Press, 2005
Oxford University Press, 2006, 2018
Psychology Press, 2004
Sage Publications, 2006
Wadsworth Publishing, 2005

Reviewer for Federal Grants and Foundations

National Science Foundation, 2010, 2009
Netherlands Organisation for Scientific Research, 2016, 2012
Anthony Marchionne Foundation, 2010
The Reversibility Network--National Institute on Aging, 2020
United States-Israel Binational Science Foundation, 2019

Panel and Award Reviewer for National Conferences

Society for Research on Adolescence: Reviewer for Panel 13: "Neurobiological Mechanisms" for the 2016 biennial meeting.
Society for Research in Child Development Transitions from Adolescence to Adulthood meeting (2012): Reviewer for the "Biological, Neurological, and Physical Development" panel.
Society for Research on Adolescence: Reviewer for Panel 9: "Biological Processes and Evolutionary Perspectives" for the 2012 biennial meeting.
Society for Research on Adolescence: Reviewer for Panel 16: "Ethical and Pragmatic Concerns" for the 2008 biennial meeting.
Society for Research in Child Development: Reviewer for Panel 3: "Childhood: Biological and Cognitive Processes" for the 2007 biennial meeting.
Human Behavior and Evolution Society: Review committee member for 2010 Early Career Contributions Award.
Human Behavior and Evolution Society: Poster competition judge for the 2003 annual meeting.

External Reviewer for Promotion-and-Tenure

Human and Community Development, University of California, Davis
Department of Psychology, Indiana University
John Molson School of Business, Concordia University
Johns Hopkins University School of Nursing
Department of Anthropology, University of New Mexico
Department of Psychology, Oklahoma State University
Department of Management, London School of Economics
School of Nursing, UCLA
Department of Anthropology, UCLA
Department of Psychology, University of Kentucky
Department of Psychology and Social Behavior, UC Irvine
Department of Psychology, University of Oregon
Department of Psychology, Texas Christian University
School of Animal and Comparative Biomedical Sciences, University of Arizona

Ad Hoc Reviewer for Scholarly Journals
